October 2, 2006 – Free review copies of more than 100 pamphlets, booklets and comic books focusing on a wide variety of health promotion issues and the latest *Promote Health* catalog will be available at the Journeyworks Publishing exhibit booth at the American Public Health Association Annual Meeting on November 4-8 in Boston, Massachusetts.

This will be a return engagement for Journeyworks, which has exhibited at the APHA Annual Meeting several times over the past decade. This year's event is expected to draw more than 12,000 health professionals from around the country. Journeyworks health promotion and patient education materials are used by thousands of health departments, clinics, schools, hospitals, and social service organizations, and participating in the APHA event gives Journeyworks staff the opportunity to meet many of their customers face to face.

Journeyworks will be at booth 446 in the Exhibit Hall from Nov. 4-8 at the Boston Convention & Exhibition Center at 415 Summer Street in Boston. We invite you to stop by to meet with staff and pick up free review samples and catalogs.
